Return transcripts are available for the current year and returns processed during the prior 3 processing years.

The IRS may be able to provide this transcript information for up to 10 years. Information for the current year is generally not available until the year after it is filed with the IRS. For example, Form W-2 information for 2016, filed in 2017, will likely not be available from the IRS until 2018. If you need Form W-2 information for retirement purposes, you should contact the Social Security Administration at 1-800-772-1213.

You must check the box in the signature area to acknowledge you have the authority to sign and request the information. The form will not be processed if unchecked.

Signature and date. Form 4506-C must be signed and dated by the taxpayer listed on line 1a and, if listed, 2a. The IRS must receive Form 4506-C within 120 days of the date signed by the taxpayer or it will be rejected. Ensure that all applicable lines, including lines 5a through 8, are completed before signing.

Authorized Representative: A representative can sign Form 4506-C for a taxpayer if the taxpayer has specifically delegated this authority to the representative on Form 2848, line 5a, and Form 2848 is attached to the Form 4506-C request. If you are Heir at Law, Next of Kin, or Beneficiary, you must be able to establish a material interest in the estate or trust. If Form 4506-C is signed by a representative, the Authorized Representative check box must be marked.

Electronic Signature: Only IVES participants that opt in to the Electronic Signature usage can accept electronic signatures. Contact the IVES participant for approval and guidance for electronic signatures. If the Form 4506-C is signed electronically, the Electronic Signature check box must be marked.

(1) an officer having legal authority to bind the corporation, (2) any person designated by the board of directors or other governing body, or (3) any officer or employee on written request by any principal officer and attested to by the secretary or other officer. A bona fide shareholder of record owning 1 percent or more of the outstanding stock of the corporation may submit a Form 4506-C but must provide documentation to support the requester's right to receive the information.

ANTI-STEERING LOAN OPTIONS DISCLOSURE

Property Address: 5016 Saint Dunstan Court
Concord, California 94521

Borrower Name(s): Arezoo Rajabi

Dear Borrower,

You have applied for a mortgage loan through NexBank

To ensure you, the borrower(s), has sufficient information to determine the appropriate loan, we are providing you with the following loan options. These loan options provide you with detailed rate and loan cost information to assist you in choosing the correct loan for your particular financial situation. Carefully review the loan options presented below to ensure you have chosen the appropriate option.

Your Loan Options. For each type of transaction in which you expressed an interest, your mortgage broker has obtained loan options from a significant number of the creditors with which your mortgage broker regularly does business. Your mortgage broker has a good faith belief that you likely qualify for the following loans:

Type of Transaction ☒ FIXED RATE ☐ ADJUSTABLE RATE		Interest Rate	Total Origination Points and Fees, including Discount Points
Option 1	Loan with the lowest Interest Rate		\$
Option 2	Loan with the lowest Interest Rate without negative amortization, a prepayment penalty, interest-only payments, a balloon payment in the first 7 years of the life of the loan, a demand feature, shared equity, or shared appreciation		\$
Option 3	Loan with the lowest total dollar amount for origination points or fees and discount points		\$
<i>You are applying for a loan with the following terms</i>		5.990	\$

If you expressed an interest in an adjustable rate loan and if the loan's initial rate is fixed for at least 5 years, the "Interest Rate" disclosed in this document is the initial rate that would be in effect at consummation. If the loan's initial rate is not fixed for at least 5 years, the Interest Rate is the fully-indexed rate that would be in effect at consummation without regard to any initial discount or premium.

This is not a lock-in agreement or a loan commitment. The interest rate and fees described throughout this disclosure are available on the date the document was prepared and they may be subject to change if you have not locked in your interest rate. If your lender offers rate locks you may be required to lock the rate to obtain the rate and origination cost disclosed above. Additionally, even if your loan is locked, the Interest Rate and fees may be subject to change as the loan is underwritten.

If your lender does offer rate locks and you have not locked your loan, please be aware that interest rates move constantly. The way to set a certain Interest Rate and fees is for your mortgage broker to lock your loan. Once you lock your loan, you are agreeing to close your loan within a certain period of time and at a certain interest rate. If you instruct your mortgage broker to lock your loan, your mortgage broker can explain to you the Interest Rate and fees you will pay.

Be sure that you understand and are satisfied with the product and terms that have been offered to you.

PRIVATE MORTGAGE INSURANCE DISCLOSURE FIXED RATE MORTGAGE

Loan Number: 64159128

Date: February 6, 2026

Lender: NexBank (NMLS # 672886)

Borrower(s): Arezoo Rajabi

Property Address: 5016 Saint Dunstan Court

You are obtaining a mortgage loan that requires private mortgage insurance ("PMI"). PMI protects lenders against certain financial losses incurred primarily when a borrower defaults.

Under certain circumstances, federal law gives you the right to cancel PMI or requires that PMI automatically terminate. This disclosure describes when cancellation and termination may occur. Please note that PMI is **not** the same as property/casualty insurance (such as homeowner's or flood insurance) which protects you against damage to the property. Cancellation or termination of PMI does **not** affect your obligation, if any, to maintain other types of insurance.

In this disclosure, "you" and "your" mean the borrower(s); "loan" means the mortgage loan you are obtaining; and "property" means the property securing repayment of your loan.

INITIAL AMORTIZATION SCHEDULE: An amortization schedule showing, among other things, the principal and interest due on your loan, along with the balance remaining after each scheduled payment, is attached for your reference.

BORROWER REQUESTED CANCELLATION OF PMI: You have the right to request that PMI be canceled, at your option, on either of the following dates (the "cancellation date"):

- (1) The date the principal balance of your loan is first **scheduled** to reach 80% of the original value of the property, based solely on the initial amortization schedule for your loan and irrespective of the outstanding balance of your loan on that date. This date is **February 1, 2035**. If your loan is subject to a balloon payment, this date may not be reached before the balloon payment comes due.
- (2) The date the principal balance of your loan **actually** reaches 80% of the original value of the property, based solely on your actual loan payments.

"Original value" means the **lesser** of (a) the contract sales price of the property, or (b) the appraised value of the property at the time the loan is consummated. If the loan is a refinance loan, "original value" means the appraised value of the property relied upon to approve the loan.

PMI will be canceled on the cancellation date only if you have satisfied all of the following conditions, or any later date that you have satisfied all of the following conditions:

- (i) you submit a written request for PMI cancellation to the servicer of your loan;
- (ii) you have a good payment history;
- (iii) you are current on your loan payments; and
- (iv) the servicer receives, if the servicer requests and at your expense, (A) evidence satisfactory to the holder of your loan at the time of your written cancellation request that the property's value has not declined below its original value, and (B) certification that there are no subordinate liens on the property.

The "servicer" is the person responsible for receiving your loan payments. A "good payment history" means that you have not made a mortgage payment that was 60 or more days past due during the 12-month period beginning 24 months before, or you have not made a mortgage payment that was 30 or more days past due within the 12-month period preceding, the later of the cancellation date or the date that you submit your written request for PMI cancellation to the servicer of the loan. The servicer will notify you promptly after receiving your written cancellation request of the type of evidence you must provide to satisfy the condition set forth in paragraph (iv)(A) above.

AUTOMATIC TERMINATION OF PMI: If you are current on your loan payments, PMI will automatically terminate on the date the principal balance of your loan is first **scheduled** to reach 78% of the original value of the property, based solely on the initial amortization schedule for your loan and irrespective of the outstanding balance of your loan on that date. This date is called the "termination date." The termination date is March 1, 2036. If your loan is subject to a balloon payment, the termination date may not be reached before the balloon payment comes due. If you are **not** current on your loan payments as of the termination date, PMI will automatically terminate on the first day of the first month beginning after the date that you become current on your loan payments.

EXCEPTIONS TO CANCELLATION AND AUTOMATIC TERMINATION: The cancellation and automatic termination requirements described above do not apply to certain loans that may present a higher risk of default. Your loan, however, does not fall into this category. Accordingly, the cancellation and automatic termination provisions described above apply to your loan.

By signing below, you acknowledge receipt of a copy of this disclosure and the attached initial amortization schedule.
